WILL POWER **RUSSELL EDDY,** a Vice President and Trust Officer in the New England Merchants' Trust Department, carries out the spirit as well as the letter of the instructions of a customer's will. For years ago, when the customer and his attorney drew the will, Russ Eddy was there . . . absorbing the customer's intentions.

IN THE BANK'S ROLE as executor, Russ is aided by our staff of specialists who make a career of financial planning, administration, taxation and investment analysis. To their technical skills, Russ adds his 25 years of trust experience and his continuing personal contact with the customer and his family. Thus, when the time comes, he is in a position to see that the power of the will has its impact as the maker intended — while the family can look to him and others in our Trust Department for understanding and help.

"CHOOSING HIS EXECUTOR is one of the most important decisions a man makes," Russ Eddy says. "And, since the fee is approved by the court, it costs no more to get *professional* service." You, your wife, and your attorney are invited to meet Russ Eddy and talk over the advantages of naming the New England Merchants as your executor. Why not call RIchmond 2-4000 now?

NEW ENGLAND MERCHANTS NATIONAL BANK

MEMBER F.D.I.C.

TRUST DEPARTMENT, 135 DEVONSHIRE ST., BOSTON

LONE COMMITTEE

JOHN WEBB, a Vice President of the New England Merchants National Bank, is a committee of one when it comes to granting loans.

JACK CAN SAY YES to loan requests for two good reasons. First, his 22 years' experience in almost every department of the New England Merchants Bank has made him one of the men who *are* the bank. He knows our banking philosophy – inside out. Second, he knows the companies he serves. He works with them as a permanent member of their management team – so he can understand their needs as well as they do.

AS A COMPANY BANKER, Jack Webb encourages his customers to take an objective view of their firm's future, to make the right long-range decisions, to avoid financial pitfalls. And as he says himself: "For our part, we try to put ourselves in our customer's shoes – which generally gives us the understanding we need." If you or your company could use the services of a "company banker," Jack Webb will be glad to match his time with yours in the hope that we can solve your problem. All you need to do is call our "lone committee" now at RIchmond 2-4000 . . . where the man you talk to *is* the bank.
